Subject: Pending PFM of D.09-09-047 - Inclusion of proposed changes to whole-house  
retrofit targets

Hi  
All,

Just checking to  
make sure that changing the whole-house retrofit savings targets from 20% to 10%  
is still going to be included in the pending PFM, as we discussed in a previous  
ED/IOU EE mgmt call. We noticed after the fact from our last call that it  
was missing from the list of 7 issues you outlined.

Please  
confirm. Thanks!

Best,

Simon Eilif Baker

Supervisor, Energy Efficiency  
Planning

Climate Strategies Branch

California Public Utilities Commission -  
Energy Division
