Hey there, I'm trying to reschedule the residential retro EM&V priorities meeting. I talked with some of you yesterday and the following two days were suggested as good options since IOU folks will be in town for the Sept 9-all party res meeting with Cmr. Grueneich.

Please let me know soon if one or both of these times will NOT work for you.

Sept 8 from 1-4

Sept 10 from 10-2

I'll be sending out a draft agenda for comments shortly.

Subject: Res EM&V priorities meeting scheduled for 8/25

Folks, I haven't had the chance to follow-up on this so I suggest we post-poner for a later date. I've put together a draft agenda which I'm sending around for internal comment now, but most of us will be out through Friday and I'd like to make sure we're well prepared for this meeting to make the best use of everyone's time.

The res priorities meeting was scheduled to follow an administrative check-in in June which we decided to postpone so folks could focus on the PPMs. The purpose of the res M&V priorities meeting is to start

scoping/prioritizing the evaluation work, and to identify areas requiring coordination.

Please let me know your preference.
