Good afternoon,

Per the email from Raj Naidu below, the electric IOUs (SCE, PG&E, and SDG&E) would like to request an extension to the 20-day protest period related to Golden State Water Company Advice Letter (AL-) 1409-W, California American Water Company AL853-W, California Water Service Company AL 1997-W, and San Jose Water Company AL 419-W. The electric IOUs first received these ALs on July 28, 2010 per email communication from Raj and thus are requesting an extension of time of 20 days from point of receipt, or August 17, 2010, to file any comments or protests. The electric IOUs were not notified of the filing of these ALs via the service list or any other means at their initial filing date.

If we need to file a formal request for extension, please let me know and I will coordinate that response. Thank you!

Raj,

Please have the request e-mailed to water_division@cpuc.ca.gov - instead of sending it to my e-mail.

Thank you.

Josie

FOR INTERNAL USE

ONLY

Hi Raj,

As we discussed on Friday, could you please prepare an extension for us to review the four Advice Letters related to OEEP and PRVs filed on July 14 and 15? Per our discussion, 20 days from when the electric IOUs received the ALs (20 days from 7/28) will be fine.

Thanks!
