Subject: RE: RD&D Implementation Protest Extention

Palle, David, Keith and Tom,

Per Palle's request this morning, I am extending the date for providing reply comments from all the four water utilities, who have filed the advice letters for authorization to open PRV modernization project memorandum accounts, to September 29, 2010.

Also, any additional information requested by the staff shall be provided within five business days.

Thanks

Raj, as we discussed at the mtg on August 9, it would be nice to have a common due date for the water company responses to any protest, since the potential intervenors now have different due dates for protests (PG&E and Edison on 8/17/10, and TURN on 8/24/10). I suggest that water company responses to all protestants be due 10 days after the last protest due date, in this case 9/3/10.

- Palle

Dear Raj:

It was good to meet you yesterday at the meeting. I recently joined TURN as a staff attorney a few months ago.

As mentioned, I would like to request additional time for TURN to submit its protest to give myself adequate time to get up to speed on relevant issues. I would like to request that TURN submits its protest by or on Tuesday August 24th. I hope this works with you.

Thank you,

Marybelle
