Subject: NMDL follow up

Hi Joel,

I am following up on the brief telephone conversation we had and my e-mail follow up a few weeks ago about the status of the PG&E/MID settlement on NMDL issues. Just wanted to see if you can give any indication of the timing of CPUC action on this settlement, as it was submitted over a year ago now. Any indication at all, or feedback on what other information might be required for the Commission to make a decision on this, would be most appreciated.

You can reach me at 973-6490, or email at tnhc@pge.com.

Thanks,
Trina
