Subject: RE: A.09-09-013 E-Mail Ruling on Request of SoCalGas and SDG&E to Shorten
Time to Respond to its Motion to Amend Procedural Schedule

To the Service List in A.09-09-013: A few minutes ago, SoCalGas and SDG&E served its motion to amend the procedural schedule in PG&E's gas transmission and storage proceeding. The motion seeks to amend the current procedural schedule so that SoCalGas and SDG&E have an opportunity to conduct discovery, to prepare testimony, and to have hearings on the settlement that PG&E and the other settling parties anticipate filing around August 17, 2010 or shortly thereafter.

Since the current schedule calls for DRA and Intervenor testimony to be served on August 20, 2010, concurrent rebuttal testimony to be served on Sept. 13, 2010, and evidentiary hearings to begin on September 20, 2010, SoCalGas and SDG&E request as part of its motion that the time for responding to their motion be shortened so that SoCalGas and SDG&E have adequate time to conduct discovery and to prepare testimony on the issues resolved in the settlement which they do not agree with.

This e-mail ruling grants the request of SoCalGas and SDG&E to shorten the time for parties to respond to their motion to amend the procedural schedule. Any party who wants to respond to the motion to amend the current procedural schedule shall file and electronically serve its response by close of business on Wednesday, August 18, 2010.

I anticipate issuing an e-mail ruling on the motion sometime on August 19, 2010.
