Subject: RE: PG&E 7th Standard Substation Project: CPUC Data Request

Mr. Poschl,

Thanks for working with us on the due date for PG&E's response to this data request. As we discussed, we will provide you a partial transmittal of the data request information assembled to date on Monday, August 30. We'll provide the balance of the data requested on September 6, 2010.

Let me know if you would like to discuss. Thanks.

Regards,

Mr. Poschl,

Apologies for the late notice, but we respectfully request an extension for our response to your data request below. Our team has been very busy preparing the requested information, but the document requests are extensive and we are going to require additional time to compile them. I left you a message about this earlier today. The due date in your Data Request below is August 29 (this Sunday), and we request an extension until September 6, 2010.

Please contact me if you would like to discuss.

Regards,

**Data Request No: 01**

**Due Date: August 29, 2010**

**Subject: Pacific Gas & Electric 7<sup>th</sup> Standard Substation Project**

The California Public Utilities Commission's (CPUC) Consumer Protection and Safety Division (CPSD) requests information related to the 7<sup>th</sup> Standard Substation Project as described in the attached document. Please provide all the information as it becomes available but no later than the close of business day on August 29, 2010. If you are unable to provide the information by this date, please provide a written explanation by August 19, 2010 as to why the response date cannot be met and your best estimate of when the information can be provided. If you have any questions regarding this data request, please contact me as soon as possible at either [cwp@cpuc.ca.gov](mailto:cwp@cpuc.ca.gov) or 213-576-7090.

Sincerely,

Chris
