I actually have a meeting w/ PG&E until 12 (but it could of course, run over that) to talk about virtual net metering. I'm open after that.

Sure, Thurs works. I prob will not sit in on the meeting so give me a ring when you're ready. If you don't reach me at my office # (3-5863) you can try my cell 265-1081.

Scott --

I have just heard that we are meeting with Alope tomorrow at 1100a to 1230p to talk about radio frequency health issues from SmartMeters. Can we reschedule for Thurs after the voting meeting?

Cool, I'm glad Weds works. You CPUCers are always taking me to good spots -- I heard there was a good Burmese place, do you know about it?

Let's do Weds. I could meet at 11:30. Any place around the CPUC that you're especially fond of?

Hi there!

Do you have time to catch a bite on Tuesday or Wednesday? Can I talk you in to starting at 1130a to beat the rush?
