Subject: meeting regarding Mobile Park utility system transfer issue

Hi All,

Thanks very much for planning to attend the meeting tomorrow. I am sending you this note to clarify the purpose of our tomorrow's meeting. This is an information gathering meeting. So we would like that each IOU spend about 10-12 minutes to go over issues surrounding the transfer of master-metered to directly metered services. Your presentation may include:

- 1) Background
  - 2) Identifying the underlying issues
  - 3) The best approach to resolve the identified issues
- Please let me know if you have any questions or concerns.

Thanks  
Sepideh
