Subject: RE: RD&D Implementation Protest Extention

Raj, as we discussed at the mtg on August 9, it would be nice to have a common due date for the water company responses to any protest, since the potential intervenors now have different due dates for protests (PG&E and Edison on 8/17/10, and TURN on 8/24/10). I suggest that water company responses to all protestants be due 10 days after the last protest due date, in this case 9/3/10.

Dear Raj:

It was good to meet you yesterday at the meeting. I recently joined TURN as a staff attorney a few months ago.

As mentioned, I would like to request additional time for TURN to submit its protest to give myself adequate time to get up to speed on relevant issues. I would like to request that TURN submits its protest by or on Tuesday August 24th. I hope this works with you.

Thank you,

Marybelle
