Matthew and Ananda --

I am writing to introduce the two of you. Matthew is the head of the Policy and Planning Division of the CPUC, and Ananda is PG&E's director of recruiting. I think the two of you should talk about our excellent rotation program. Matthew, Ananda's phone number is below.

Thanks!

Sid,

Apologies for the delayed response. This sounds interesting and would be happy to be a resource. Please give him my contact info and I can provide him with an overview of our College & MBA programs.

Thanks!

Ananda --

A director at the CPUC is exploring the idea of setting up a rotation program at the commission. Where can I find information about our rotation programs, and whom should I ask about how we have made our program work so well?

Thanks!

sid

Don't know for sure but Ananda Baron is a good person to ask. She was in the MBA program and is the Director of Recruiting.

Bill --

Where can I find information about our rotation programs and our MBA programs at PG&E? Is there someone who is a good champion for them who knows how we have made them work? Matthew Deal wants to set one up in his program at the CPUC.
