Hi Meredith,

The only thing I think that looks a little weird is during President Peevey's comments it cuts to the audience, which is just walking around and the seats are empty. It makes it look like everyone left during his speech. :)

Hi Terrie,

Below is the link to the Vaca Dixon Solar Station dedication video, which includes a segment of Pres. Peevey's remarks. If this is ok, Blair will approve with the vendor and he will send you a link when ready that you could post on the CPUC website.

Thanks so much,
Meredith
