Mike and Dave:

Trina and I called yesterday and left messages with both of you hoping to discuss the Oakley Project  
Petition to Modify and the GWF Tracy/Los Esteros Tier 1 advice letter. I wanted to follow-up with an e-  
mail and see if there is a time we can talk today or tomorrow. We are happy to talk together or with you  
separately if that is better. Let me know what works.

Thanks.

Charles
