Subject: RE: CB presentation for Monday

Aram,

It's currently going through final review. Can I send that to you at the end of today? Also, given that this is a public workshop, PG&E's presentation will be focusing on the public portion of our proposal. The details of PG&E's strategies were included in Confidential Appendix A, and some of that were shared at the PRG meeting. I'm not sure if you were able to call in at the PRG meeting last week (I think Rebecca did). PG&E is available to walk through the Confidential Appendix A with you and your Team after the workshop. Let's chat on Monday.

Thanks,  
Alice

Hello guys,

We're hoping to put the CB presentation online so you can avoid bringing hard copies, etc. Do you have a version for public release available?
