Subject: Resolution E-4250 follow-up

Steve,

Ordering Paragraph 6 of Resolution E-4250 provides for CPUC staff to convene an informal meeting of interested parties to resolve an open opt-out issue. Do you want us to informally meet with MEA and CCSF to resolve this issue, or does Energy Division plan to schedule a meeting to facilitate the discussion?

Erik

6. Staff shall convene an informal meeting of the interested parties to see if consensus can be reached on the tariff language needed to specify how the opt-out process for new or relocated customers in a CCA service area will work. This tariff language shall ensure that customers who are unaware of the terms and conditions of the CCA service will be informed of those terms and conditions before being given the opportunity to opt out. If consensus cannot be reached, and if the issue is not resolved in the resolution of the CCSF Petition To Modify D.05-12-041 in R.03-10-003, staff should prepare a resolution for our consideration.
