RE: San Diego Gas & Electric Company's Notice of Intent to File a Test Year 2012 General Rate Case

Dear Mr. Pocta:

Enclosed is San Diego Gas & Electric Company's (SDG&E's) Notice of Intent (NOI) to File a Test Year 2012 General Rate Case (GRC). SDG&E is tendering eight hard copies of the NOI, draft application and draft exhibits, as well as eight CD-ROM copies of the draft exhibits, to the Department of Ratepayer Advocates (DRA), delivered by FedEx on Monday morning. DRA will also receive three copies of workpapers, in both hard copy and electronic format. None of the above mentioned documents are confidential, however, SDG&E will be supplying the Results of Operation (RO) Model and user manual to DRA subject to the confidentiality provisions of the Public Utilities Code section 583 and Commission General Order 66-C, and will accordingly file a subsequent Motion for Protective Order.

The draft exhibits are as follows:
