We're tied up today. I assume from your email that dinner tomorrow night does not work for you. If wrong on this score, come by at 6 for a drink and some food. Or, just come by around 5, if you are driving back to the Bay Area. You can bring the teenagers with you and they can watch TV or take a walk, or whatever.

Good day Mike Sara and I got up here late last night and slept in. We did bring the two teenagers but they are still asleep. If you have the time, we'd love to see you both. You are certainly welcome to come over here or we can head your way. Depending on your schedule, we'd be happy to have you over for dinner tonight or lunch tomorrow. If that doesn't work for you, we are always ready to open wine and just visit for a bit. Your call. Cell is [Redacted]. Sara's. [Redacted]
