Advice No. 4144
(U 904 G)

Public Utilities Commission of the State of California

Subject: Revision of Rule No. 06 Pursuant to Interim Decision (D.)10-07-048

Southern California Gas Company (SoCalGas) hereby submits for filing with the California Public Utilities Commission (Commission) revisions to its tariff rules, applicable throughout its service territory, as shown on Attachment B.

Purpose

In accordance with D.10-07-048, SoCalGas proposes to revise Rule No. 06, Establishment and Re-Establishment of Credit,

1. Pursuant to Interim Ordering Paragraph (OP) 3, to waive the re-establishment of credit deposits for all residential customers, including qualified CARE customers, for late-payment of bills, effective August 30, 2010, and then subsequently,
2. Pursuant to OP 2, to waive the additional re-establishment of credit deposits for qualified California Alternate Rates for Energy (CARE) only customers following a discontinuance of service for non-payment of bills, effective October 1, 2010.

Information

On February 4, 2010, the Commission issued Rulemaking (R.) 10-02-005, to establish ways to improve customer notification and education to decrease the number of gas and electric utility service disconnections. The economic crisis currently existing in California and the recent increase in utility service disconnections led the Commission to reexamine utility disconnection rules and practices.

In D.10-07-048, approved and effective on July 29, 2010, the Commission, among other things, directs the waiving of the re-establishment of credit deposits for residential customers to reduce the financial effects, provide more uniform tariff practices, and provide a balance between the concerns of parties requesting no deposit requirements and the needs of the utilities and other customers for a showing of security.

OP 3 directs SoCalGas to file a Tier 1 Advice Letter within one month of the effective date of this decision with the waiving of the re-establishment of credit deposits for late-payment of bills for residential customers to be in effect until January 1, 2012. OP 2 of D.10-07-048 directs SoCalGas to implement the following interim practices by October 1, 2010, to be in effect until January 1, 2012.

Once a qualified CARE customer has established credit, the Utility must not require the customer to pay an additional re-establishment of credit deposit for either late-payment of bills or discontinuance of service for non-payment of bills. No customer who is on medical baseline or life support shall be disconnected without an in-person visit from a Utility representative.¹

SoCalGas' current practice, as provided in its Rule No. 09, Discontinuance of Service, Section C.4.d, states that,

"At the time of termination of service, the Utility shall attempt to personally contact an adult on the customer's premises in order to avoid discontinuance of service."

This provision clearly establishes that no customer, including a customer who is on medical baseline or life support, is disconnected without an in-person visit from a Utility representative. Therefore, no additional changes are needed to Rule No. 09 to fulfill this requirement directed in OP 2.

Tariff Changes

In compliance with OPs 2 and 3 of D.10-07-048, Rule No. 06, Section C, Re-Establishment of Credit – All Classes of Service, Subsection 2 on Sheet 2 is revised as follows:

"Pursuant to D.10-07-048, this Section C.2. is waived for the re-establishment of credit deposits for residential only customers for late payment of bills, effective August 30, 2010 until January 1, 2012, and for the additional re-establishment of credit deposits for discontinuance of service for non-payment of bills for qualified CARE only customers, effective October 1, 2010 until January 1, 2012, as filed in Advice No. 4144."

ESTABLISHMENT AND RE-ESTABLISHMENT OF CREDIT

(Continued)

B. ESTABLISHMENT OF CREDIT – NON-RESIDENTIAL SERVICE

Before receiving such service, each applicant shall be required to establish credit as follows:

1. By making a cash deposit as prescribed in Rule No. 7; or
2. By furnishing a qualified guarantor to secure payment of bills as prescribed in Rule No.7; or
3. By having been a non-residential customer for a similar type of service within the last two years and having paid all bills for gas service in accordance with the provisions of Rule No. 9 for the most recent 12 consecutive months of such service, provided, however, that the credit of the applicant is unimpaired in the opinion of the Utility. The billing for gas consumed at the applicant’s former service location shall have been equal to at least 50 percent of billing estimated for the new service location; or
4. By otherwise establishing credit to the satisfaction of the Utility.

C. RE-ESTABLISHMENT OF CREDIT – ALL CLASSES OF SERVICE

1. An applicant who is a former gas customer of the Utility and whose service was discontinued for nonpayment of bills at any time during the last 12 months of that service, may be required to re-establish credit by making a cash deposit in accordance with the provisions of Rule No. 7.
2. A current customer who fails to pay bills before becoming past due as set forth in Rule No. 9, may be required to pay such bills and to re-establish credit by making a cash deposit as prescribed in Rule No. 7. This rule will apply regardless of whether or not service has been discontinued for such nonpayment. Pursuant to D.10-07-048, this Section C.2. is waived for the re-establishment of credit deposits for residential only customers for late payment of bills, effective August 30, 2010 until January 1, 2012, and for the additional re-establishment of credit deposits for discontinuance of service for non-payment of bills for qualified CARE only customers, effective October 1, 2010 until January 1, 2012, as filed in Advice No. 4144.
3. A customer using non-residential service may be required to re-establish credit at one or more of its locations in accordance with this Rule if the conditions of service or basis on which credit was originally established, in the opinion of the Utility, have materially changed or, the Utility believes, a condition of high risk exists.
4. Where the Utility has received information that a residential customer left another utility’s service territory with an unpaid closing bill, the customer may be required, as a condition of continued service, to re-establish credit in accordance with this Rule.
