Subject: 9/1/10 Posting Instructions for EEGA

All,

The first phase of the new EEGA site is almost ready, but may not be ready to accept your monthly reports by tomorrow.

As a workaround, please sent your monthly reports directly to me, with a cc to Wayne by tomorrow, so I can officially say you've complied with Energy Division's request. Then when the site is ready I can post the files for you (also to test if the upload function is working properly). In the subject line please put: July 2010 Monthly Report – [Utility]
