Data Request No: Follow-up to DRA-012/ED-XX

Originated by: Chris Danforth

Subject: Cost of a Moratorium on the Smart Meter Deployment

Please provide the following information as it becomes available but no later than **August 27, 2010**. If you are unable to provide the information by this date, please provide a written explanation to us by **August 25, 2010** as to why the response date cannot be met and your best estimate of when the information can be provided. If you have any questions regarding this data request, please contact me at the above listed phone number. Please provide the information below in electronic media, such as email or a compact disk, if available.

1. In responding to Questions 3 and 4 of Data Request DRA-012/ED-XX (supplemental), PG&E provided an Excel file entitled "SM_DRA_01 and SM_ED_01_Supplemental-01-Attachment-08.xls". This attachment makes reference to contracts with Aclara RF, Wellington, HP, SSN, and Diversified. Please provide the most recent version of each contract in its entirety, including any amendments to the original contract.
2. In responding to Question 2, PG&E provided an Excel file entitled "SM_DRA_01 and SM_ED_01_Supplemental-01-Attachment-03.xls". If any of the cost items in that file involve contract labor or other types of expenditures that entail contractual arrangements, please provide the most recent associated contracts for each cost item in its entirety, including any amendments to the original contract.
