Subject: Possible meeting for Comr. Simon in a couple of weeks - Background on Gas
Hedging Programs/Regulations for AGA Presentation

Dear
Bill,

Thank you very
much to you and [Red] for meeting with me this morning to start the discussion
about Comr. Simon's presentation for the AGA Sept. 30 meeting in
Seattle.

If
it is possible it would be productive to come back in to talk with Comr. Simon
about these issues in the next couple of weeks. Would it be
possible to please send in a meeting request so we can consider when best to
schedule it--it would help a lot.

In
the mean time I will review the material you provided and will be working
on some draft materials.

Thank you so very
much,

Karen Shea
