Raj

Apologies - one other person from PG&E may attend - Sid Dietz, also from Regulatory Relations. Please cc him on the agenda we just requested.

I am sure you can appreciate the nature of coordinating with all the right people for this issue...

Best regards,

Raj -

I plan on attending Monday's meeting with three others from PG&E. They are:

[Redacted] - she works on Distributed Generation policy

[Redacted] - from our Regulatory Relations team

Mike Klotz - from our Law Division

Can you forward to those who plan to attend (which I assume is this e-mail's entire "To" and "cc" lines) an agenda and a sense of your general objectives for the meeting?

Thanks, and have a good weekend.

Tim
