All we are trying to get logistics pinned down, bottle neck is booking rooms so we are looking into the Westfield Business Center downtown SF (same place we held the Big Bold Workshops 2 years ago).. Zeny and Simon, suggested IOUs should get cover the cost of the meeting rooms..
The cost of the rooms is \$400/room/day;
We need three rooms at the same time (note some of those rooms could be partitioned; not sure if they can partition to more the 2 rooms)..
Dates set for now are Sep 16-17 all day meetings (8:30am-5:30 pm)..

Any ideas?

Ayat

Hi Don,
Simon will clarify the purpose and expectations for this meeting (cc here)..

I will be sending detailed agenda next week..
Also we will be sending meeting materials on PPMs prior to the meeting (hopefully about a week prior to the meeting when we have the material ready)..

Ayat

Is the intended only for a report out to IOUs by the ED on its proposed PPMs or is this opportunity to discuss and come to an agreement on joint PPMs among IOUs and ED?

All,

We could only find location for the meetings for Sep 16-17th. Both days are all day meetings. I am going to send an agenda with details and purpose of meeting after we confirm the locations etc. for now I just want to inform you so that you can alert the respective program managers/implementers to plan attending these two days.

The scope of the meetings is basically ED staff presenting their work on Program Performance Metrics (PPMs); that will go into a resolution process eventually (there were advice letters filed by the IOUs regarding PPMs early in May based on Decision requirements)..

Kindest Regards
Ayat

Hi Ayat-

I would like to talk with you to understand more about what will take place at these meetings so that we can get the right people all lined up for the either the 13th and 14th or the 16th and 17th. Sounds like you are out of the office right now so let me know when you are back in and I can arrange to give you a call.

Looking forward to talking with you.

Thanks for the information, Ayat. I'll have Vanessa/Catina on our team check with internal folks and loop back with you regarding attendance and availability. Is there any flexibility around the dates if key folks are unavailable?

Don, Athen, Shilba

ED is going to present the PPM work on the 12 SW programs. The proposed dates are September 13th and 14th.

Please see the attached schedule; due to overlap of staff work, the main SW programs are scheduled as shown; so please make sure that the program managers (or implementers if 3rd party) be present during those session.

I would like to know who is attending for each SW program so that I get the head count and the attendees affiliation/role/contact information..

We are trying to book the Westfield Conference Center in Downtown SF but still working on that..

There will be three concurrent sessions each day so that is the bottle neck to find three rooms in one venue! If you have any suggestions please let me know..

Also be pleased to answer question..
