Hi Brian,

There's not a press conference, per se. If reporters have questions after the report is discussed at the meeting, we'll take them into a nearby hearing room because any sound made in the lobby disturbs the meeting.

Terry - Is there a number that Chris Johns, the President of PG&E, can call into regarding the Structure Report press conference at the PUC ? I'm thinking it will be done in the courtyard and there won't be a live feed. Let me know. Thx.
