Subject: Darbee/Chris John's Meeting with Peevey - Thursday at 2pm

Paul - I need you to get Tom into that meeting. He will be attending with Chris and Peter. We need to have someone who hears what Mike has to say and understands it. If Mike wants private time with the two of them, Tom is happy to step out to accommodate that. Thx.

Also, I assume the meeting has to do with getting updated on San Bruno and what the company is doing to address the tragedy.
