Yes. They are working on it. It had more detail yesterday Am but we took it out because we were going to release yesterday. Then things changed. Talked to Tom, he is going to tell Peter about your request to visit.

Quick feedback: Needs to say why each project is needed. Increase capacity? Corrosion reaching set limit? etc. Also, needs to be linked to a map to show where the project is, if not at the house-by-house level at least at the town level.
