If you want to get involved, you can give us more money (procedurally) in our GRC. Clerical workers are 130% above their comparator groups.

Thank you for the warning - my best guess is your instincts are correct  
- it "usually" is NOT our issue (just giving us some flexibility - in  
case)

Carol/Paul - FYI. A letter from the IBEW local union leadership regarding our ongoing bargaining of the clerical contract is headed your way. I assume you guys won't want to get involved.

Dalzell will be sending a letter to Peter signed by the heads of several women's groups (SF Commission on the Status of Women, SF Women's Political Committee, Equal Rights Advocates, Democratic Women's Forum) asking that we withdraw our two-tier wage proposal. It may already be in the mail. I urge us not to react or respond.

We don't do our bargaining in public.
