Hi Brian,

I just received a voicemail from Tommy Randle from Census 2010 that none of the energy IOUs have signed up to attend these events. Can you please follow up on this issue? Tommy Randle's contact information is 818-717-5822. Thanks

Thanks very much Brian. Just a question, are there only two events in your service territory, based on the updated list I sent you yesterday or the list I gave Tom?

Sepideh - spoke with Tom. We will have PG&E representatives at the two events in our service territory.

Brian,

I already talked to Tom regarding this issue and I gave him a copy of the old flyer. I asked Tom if PG&E could send their people to these events. Tom was very kind and told me that he would take of it. He may have already mentioned it to you. This is the new Flyer with new dates for the 2010 census job fair events. Please let me know if you any questions or concerns. Thanks
