Subject: FW: Request from Senator Dean Florez

Any thoughts on how to respond to this would be appreciated.....

Subject: Request from Senator Dean Florez

Peter received the following faxed letter from Dean Florez, requesting data and documents related to our natural gas operations and practices.

He has asked us to provide the information in 7 working days and he has asked the CPUC to enforce the timeline. Chris Johns and Kent Kauss were copied on the note.

Please advise on how and who should respond.

Shawn
