Team:

This morning, Peter Darbee appeared on CNBC Power Lunch to discuss the San Bruno tragedy and the recovery efforts of PG&E.

Below is a quick link to the interview for your review and distribution.

We are in the process of obtaining a higher resolution version that will be posted on the intranet site for employees to watch. We hopefully will have that posted tomorrow.

Please feel free to share the link with your team. This link can be viewed for the next 72 hours. We are also obtaining DVD copies in the event you have an event or team members where web access is unavailable.
