Subject: Transmittal of Preliminary ED-proposed PPMs to IOUs for feedback

Hi All,

Attached please find two documents that Energy Division prepared in advance of Mon-Tue meetings to discuss PPMs. We apologize for the delay and for not getting this to you sooner. This has been a monumental task!

**1. Transmittal memo** - This provides context for the accompanying document with ED-proposed PPMs

**2. Preliminary ED-proposed PPMs and MT Indicators** - This is the complete set of PPMs that ED staff have developed. You will note that it is now in Word format rather than Excel. We made slight modifications to the PPM template that the IOUs used in their filing, but I think you will find the revised version substantially consistent. You will also see that the document still needs some refinements, so we welcome your feedback on any errors, inconsistencies, ambiguities, redundancies, etc. Please also refer to the Table of Contents and Color Coding / Categorization of Metrics to assist in your review.

We look forward to our discussions next week!

Best,

Simon
