Athena,

When we spoke today at noon, I understood you to be asking something very different. Here is what I heard: The IOUs would submit their response this Monday (9/27), IOU mgmt folks would meet with ED mgmt in SF this Wednesday (9/29), and make real-time decisions, as necessary, at that time. When we originally talked before the PPM meetings, an IOU response by this Wednesday (9/29) was doable. I was/am potentially open to this.

It sounds like you are (1) asking for an extension until 10/1 and (2) asking for additional dialogue at the IOU-ED mgmt level after the extended deadline.

Do I understand what you are now asking correctly? If so, what has changed?

Best,

Simon

Subject: PPM Submittal

Jeanne, Simon, and Zeny,

Monday and Tuesday PPM meetings were very productive with all our groups.

As of now all the IOU teams are continuing meetings to develop and finalizing responses to complete the templates.

After they complete their work, our Sr. Mgt will need time to review and approve our response. Therefore we are requesting that we submit our complete response by Friday next week (10/1). We (Shilpa, Don and myself) also offer to meet with the three of you following our submittal to address any questions/issues. We are committed to providing a decision/resolution at that time to close the loop. We believe this would minimize issues during the AL Resolution process for us (not speaking for other parties).

On behalf of Shilpa and Don, we appreciate your kind consideration.

Regards,

Athena
