Subject: Res M&V follow-up webinar

Thank you to everyone who joined today's call. It was great to have a chance to spend time learning about the res programs and proposed studies, and IOU advance preparation of documents for discussion helped us have a good, productive discussion.

At the end of the meeting we decided to schedule a follow-up webinar next week to continue hearing about the IOU res M&V projects we didn't get to today.

Specifically, next week's 2-hour webinar should provide time to:

1) Review and discuss IOU res M&V studies not covered today (ED and IOU)

-Whole house

-Informational programs

-BCE

2) Briefly discuss characterization of "overarching" funding needs in terms of joint ED and IOU funding (Mikhail)

3) Discuss overall res evaluation questions and portfolio analysis (Cathy).

A few of us met briefly afterwards to check our calendars to come up with possible times for the webinar. We identified:

- Monday, 9/13 from 10:30-12:30
- Tuesday, 9/14 from 12-4

It looks like these slots will work for PGE, SCE and ED, but we still need to hear from Sempra and Kathleen. Please let me know by COB tomorrow if you can not make one or both of these times.

Thanks again to folks for their participation and help getting these sector specific discussions underway.

Take care,

--Mikhail
