Subject: [FWD: Working Group formerly known as DFEEQP 9/15/10]

Hi WG,

A few of you have mentioned interest in the CPUC EE Goals topic during our 1pm timeslot. To clarify, CPUC will not be providing any major announcement on this topic during our meeting. What we will be doing, however, is establishing Committee interest for a sub-group that will engage in discussions about understanding EE goals and potential in the context of TMG, and implications for/from demand forecasting.

Thank you.
