Subject: C&S PPM language finalization

When: Friday, September 24, 2010 10:00 AM-12:00 PM (GMT-08:00) Pacific Time (US & Canada).

Where: Telecon

Goal is for ED and C&S program managers to reach agreement on specific language for PPMs, finalizing discussions and draft language worked out on Monday. Follow-up to Monday's San Ramon meeting with Ayat Osman et al.

1. We'll use GoToMeeting so that everybody can see the language. Please log in a few minutes early in case it takes you extra time for setup.

2. Use your microphone and speakers (VoIP) - a headset is recommended. Or, call in using your telephone.
