Subject: Extension of IOU PPM Submittal until Thur 2/30

All,

Zeny and I just talked after Athena and I talked (for a second time). ED is OK with a one day extension until Thur, 9/30.

Best,
Simon

Simon, I realized after I spoke to you that we may not have been on the same page about which Monday we were referring to as my intent was to ask for the Friday extension first and then see if you were interested in a face-to-face after that. That is why I put down the date in my note so we would have the same point of reference.

We are expecting the PM staff to complete their individual program ppms by Sunday. To allow for adequate internal review we are asking for the submittal to go to Friday (an additional 2 days). The follow up meeting would happen if you thought that would be helpful in closing the loop on issues you identify after we submit the response.

I apologize for the misunderstanding and I hope I have clarified our request.

Thank you for the follow-up.

Athena,

When we spoke today at noon, I understood you to be asking something very different. Here is what I heard: The IOUs would submit their response this Monday (9/27), IOU mgmt folks would meet with ED mgmt in SF this Wednesday (9/29), and make real-time decisions, as necessary, at that time. When we originally talked before the PPM meetings, an IOU response by this Wednesday (9/29) was doable. I was/am potentially open to this.

It sounds like you are (1) asking for an extension until 10/1 and (2) asking for additional dialoge at the IOU-ED mgmt level after the extended deadline.

Do I understand what you are now asking correctly? If so, what has changed?

Best,

Simon

Jeanne, Simon, and Zeny,

Monday and Tuesday PPM meetings were very productive with all our groups.

As of now all the IOU teams are continuing meetings to develop and finalizing responses to complete the templates.

After they complete their work, our Sr. Mgt will need time to review and approve our response. Therefore we are requesting that we submit our complete response by Friday next week (10/1). We (Shilpa, Don and myself) also offer to meet with the three of you following our submittal to address any questions/issues. We are committed to providing a decision/resolution at that time to close the loop. We believe this would minimize issues during the AL Resolution process for us (not speaking for other parties).

On behalf of Shilpa and Don, we appreciate your kind consideration.

Regards,
