Subject: LGP Strategic Plan Menu Update- September 2010

Lisa,

Pursuant to the supplemental Advice Letter (SCE AL 2445-EA, et. al) jointly filed by Pacific Gas & Electric Company, Southern California Edison Company, Southern California Gas Company, and San Diego Gas & Electric on April 27, 2010, the Joint IOUs hereby respond to the following requirement related to the local government strategic plan menu:

"IOU contract managers will update the spreadsheet on a schedule of once every six months beginning September 2010 to reflect progress on the goals and milestones. The IOUs will add a column to the spreadsheet to track and record this progress for each partner. The header of the column will reflect the date of the latest semi-annual update." (p.3)

The required updates for each IOU are attached. Please let us know if you have any questions.

Thanks,

(See attached file: IOU Strategic Plan Menu Update Sep 2010.zip)
