I saw earlier this week your letter accepting CARE's withdrawal of its application for rehearing of the Marsh Landing decision (D.10-07-045 -- I think that is the right number, working from home today). It wasn't served on the service list and I think just to make sure, it should be served on the service list. Any chance you could have someone there go ahead and serve it. Marsh Landing and others are aware of it, but just wanted to make sure we are procedurally all set. Thanks!
