Hi Trina!

All is well here. Good summer, but no time off :( - though I am getting away next week for a 2wk trip to Fla (me mum's turning75).

And yup, the CCEF initiative is that "unified vision" effort I've been engaged in on the Commission's behalf for a year plus now...

Hope all is well with you, and that you and the brood had a great summer!

Pete

Hi there Pete, long time no see! I hope you had a good summer with some time off to play and are staying as busy as you want to be. I saw this document and thought of you -- is this the collaborative effort you described to me a few months ago that you've been working on?

Trina
