Sid, would it be possible for me to have a quick conversation with Leeka Kheifets and you? We're getting bombarded over here with "peer-reviewed studies" cited by the EMF Health Network like this one:

<http://emfsafetynetwork.org/wp-content/uploads/2009/10/sage.pdf>

and I just want to ask Leeka how she thinks of these things herself, and how other professionals in the field do.
