Subject: RE: Bakersfield Customer Issues / Response to DR ED\_017 Q01 Supp (Deployment  
& Budget)

Hello,

Thank you. For the outreach information I'd like to make sure that we have an advanced notice of where and when the outreach event is taking place so that if the PUC wants to join the event we have time to do it. Basically, I would like one full week or two week notice for each event that takes place.

**PUC** - I asked [Redacted] on Thursday whether there are smart meters installed in the San Bruno area. [Redacted] data is that San Bruno is 95% complete with gas smart meter installations and 94% complete with electric smart meter installations.

thanks,  
marzia

All:

PG&E's **supplemental** response to Data Request ED\_017, Question 1, regarding monthly information on SmartMeter™ deployment, customer outreach, and budget narrative is attached. Specifically, the

September 2010 SmartMeter™ Meter Deployment and Customer Outreach Schedule is attached.  
[Please note that we are working with Marzia to augment this overview with more detailed information.]  
Also attached is the budget narrative showing July 2010 results.

These materials were previously appended to the monthly Steering Committee report; we will now be providing them as a supplemental data request response.
