Thanks Marzia.

It will be Sid, myself, Liz Hurst from Draft. I'm also planning to bring John Kaufman. He's well versed in the timelines and details if you have any specific questions.

Best,  
Erin

hey guys,

just a heads up that Terrie Prosper can't make the meeting tomorrow (another SB fire interview), and so it'll just be me and Sommer with Jennifer joining us after her meeting.

I think it would be best if we could just meet informally face to face to just understand what each is planning to do. I don't necessarily think you guys need to bring anyone other than the person from Draft. We could meet at my office.

see you at 10am
