Hi Matthew,

I'd be happy to meet with you to discuss the report. I think the 7th or 8th would work best for next week if you are available either of those days. Otherwise, the following week should work as well. Please let me know if any of those are convenient for you. Thanks.

Mike

Michael,

Can you and I get together during the week of October 4 or 11 to discuss your plans for the workshop report?

FYI that the extension to the 22nd will be granted by ED. However, given our interest in deciding this issue by year's end, its critical that the report provide a good record on which to make the decision. As such, I think it will be helpful to talk through your plans for the report.

Thanks for taking a leadership role on this. We appreciate it.

Matthew
