**MOTION OF THE ENERGY PRODUCERS AND USERS COALITION
FOR PARTY STATUS**

The Energy Producers and Users Coalition (EPUC) respectfully moves for party status in this proceeding in accordance with Section 1.4 of the California Public Utilities Commission (“Commission”) Rules of Practice and Procedure.

I. EPUC’S INTEREST IN THIS PROCEEDING

This Motion for Party Status is filed by EPUC in order to participate as an active party in this proceeding, specifically in connection with the concurrently filed Motion of Direct Access Customer Coalition, Alliance for Retail Energy Markets, City and County of San Francisco, Marin Energy Authority, San Joaquin Valley Power Authority, California Municipal Utilities Association, Energy Producers and Users Coalition, California Large Energy Consumers Association, and California Manufacturers & Technology Association to Create a Separate Expedited Phase in this Proceeding to Review and Address the Flaws in the Methodology to Determine Departing Load Charges. As a coalition with end-user, customer interests, customer generation departing load interests, and CHP generator interests, EPUC members are impacted by the methodology determining departing load charges.

II. NOTICE

Service of notices, orders, and other communications and correspondence in this proceeding should be directed to EPUC at the address set forth below:

III. CONCLUSION

EPUC's participation in this proceeding will not prejudice any party, and will not delay the schedule or broaden the scope of the issues in the proceeding. For the reasons stated above, EPUC respectfully requests that the Commission grant this Motion for Party Status.

Respectfully submitted,
