Subject: IEP ANNUAL MEETING ATTENDEE LETTER SEPT 22-24

Dear IEP Annual Meeting Attendees,

Attached is the final Agenda for our Annual Meetings, which begins on Wednesday. I checked the expected temperatures for the area and found that it will be cool for this time of year, but should be quite comfortable daytimes. Don't forget to bring a sweater or jacket for evenings.

Wed: High 64 / Low 27

Thurs: High 71 / Low 30

Fri: High 76

**Just to confirm:**

- **Dress casually.** Please be comfortable in slacks and shirts –suits or ties are not encouraged.

- **Stanford Conference Center is a RUSTIC location.** You will not find resort accommodations here. We offer no TV and very limited cell service because of the mountains. This is a remote location that is absolutely beautiful in its simplicity. The rooms are simple, but comfortable. Those who have attended previously find it to be ideal for one-on-one conversations and catching up with colleagues.

- **Conference Calls:** Should you need to be on a conference call, please reserve your time on the schedule located on the bulletin board across from the check-in counter in the main lobby. We have set aside 2 conference rooms for your needs. There are also phone booths located just outside the meeting room.

- **Wireless internet** is available throughout the main building and inside your cabin. However, the cabins located on the edges of the campus may have a slower speed.

I will be easy to find should you need anything. Please let me know if I can assist you in any way. See you tomorrow.

Best Regards,

Carol Hudson
