

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking on the Commission's  
Own Motion to Consider Revising Energy Utility  
Tariff Rules Related to Deposits and Adjusting Bills  
as They Affect Small Business Customers.

R. 10-05-005

**MOTION TO LATE FILE NOTICE OF INTENT TO  
SEEK INTERVENOR COMPENSATION**

California Small Business Association (CSBA) and California Small Business Roundtable (CSBRT) request leave to file the Notice of Intent (NOI) to Seek Intervenor Compensation submitted with this motion. The OIR initiating this proceeding required that NOIs be filed within 30 days of the mailing of the rulemaking. Because of the press of other matters, CSBA/CSBRT previously did not plan to actively participate in this proceeding. However, as the Staff Report of July 28, 2010 notes, the Commission's Small Business Program Staff specifically invited CSBA and other small business organizations to attend the Workshop held on July 6, 2010 in this matter. (Small Business Program Staff Report, p. 1.) As reflected throughout the Staff Report, CSBA/CSBRT attended the Workshop, presented its views on the issues in this proceeding and actively participated in the discussion that led to a consensus on many of the issues. (*Id.*, pp. 9, 14, 15.) On August 6, 2010, they also submitted written comments on the Staff's Workshop Report. To date, CSBA/CSBRT are the only small business organizations to participate in this proceeding.

In view of the absence of other small business participation, CSBA/CSBRT would like to continue to participate on behalf of their small business members and the opportunity to request intervenor compensation if they make a substantial contribution to the proceeding. As indicated in the NOI, they plan to submit written comments on the proposed decision. Granting the motion will not delay the resolution of any matter in this proceeding.

Dated: September 1, 2010
