Also Frank, they will be eligible for the \$50K cash grant, no questions asked that we are giving out to those effected by the tragedy.

Tom, et al. -

Many individual employees at PG&E knew and worked with Jackie Grieg over a period of years, as I did when I worked at PG&E. I know many of these employees will be moved to try to provide assistance to Jackie's family, and with that in mind, I am forwarding the information below.

Please let me clarify that this is not a solicitation to Pacific Gas and Electric Company for any sort of corporate donation or assistance. Rather, I am sending this only in order to reach out to individual PG&E employees who may wish to help. (I am thinking, for example, of the people in the Core Gas Supply Department.)

Thank you.

Frank

### **Immediate Family Need for Cash Donations**

Jacki's family has an immediate need for cash donations to help them cover the costs of feeding and taking care of the many friends and extended

family members who are coming from Mexico and elsewhere. Over a hundred people have already come by Jacki's parents' house, and many more will be participating in the Novena (a special religious devotion made on nine successive days) that's planned to begin after the burial. Yesterday we were able to get over \$1500 to her parents to help cover these immediate expenses, and much more will be needed. If you'd like to contribute to covering this immediate need, cash is best, and can be given to any of these coworkers in the San Francisco office:

1st and 2nd Floors: Jim Hernandez, 415.703.3523

3rd Floor: Pat Ma, 415.703.1559

4th Floor: Rosie Mendoza, 415.703.5587

Chloe Lukins, 415.703.1637

5th Floor: Sepideh Khosrowjah, 415.703.1190

Maryam Ebke, 415.703.2271

Those of us not in headquarters can contribute to the family as well. See info below, and at <http://www.cpuc.ca.gov/PUC/aboutus/jacqueline.htm> .

### **Employee Assistance**

DRA Deputy Director Phyllis White sent this note to DRA staff this morning, and I endorse it for everyone:

Some of us are understandably having difficulty coping with the grief of our tragic loss of Jacki and her daughter. Please remember the EAP (Employee Assistance Program) is available to us for situations such as this. I invite you to contact Grant Lee, Director of Human Resources, for assistance to obtain EAP services. He is available at [gl2@cpuc.ca.gov](mailto:gl2@cpuc.ca.gov). **Subject:** DRA's Jacqueline Greig Feared Dead in San Bruno Explosion

The press is now reporting the feared deaths of our friend and DRA colleague Jackie Greig and her youngest daughter in yesterday's San Bruno explosion and fire. Jackie's husband James and older daughter were at a school event at the time, and are safe.

Although there's still no official confirmation, I'm afraid we must prepare to accept the worst.

The many, many people who knew and loved Jackie grieve with her family. In her over 20 years with us here at the PUC, Jackie's quiet strength, great intelligence, and sincere friendliness shone through to everyone around her. She was a model of kindness and caring and we can all fall back on that example ourselves now, for help in dealing with her loss.

We'll circulate memorial information when arrangements are made.
