Advice 3155-G/3739-E

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

**Subject: Request for Immediate Bill Relief for Pacific Gas and Electric
Company Customers Affected by the San Bruno Explosion**

Purpose

Pacific Gas and Electric Company (PG&E) hereby requests authorization for those customers impacted directly by the September 9, 2010 San Bruno explosion to be granted immediate bill relief through December 2010 using PG&E's shareholder funded dollars.

PG&E requests that the filing of this advice letter be effective September 10, 2010. PG&E has begun conditionally providing bill relief and will continue to do so until a final resolution is issued by the California Public Utilities Commission (Commission or CPUC).

Background

On September 9, 2010, a gas transmission pipeline in the City of San Bruno ruptured, resulting in an explosion and fire.

As a result of this unfortunate event, PG&E requests a one time deviation from Gas and Electric Rule 9, *Rendering and Payment of Bills*, to aide those customers affected by the explosion per the Commission's Energy Rule 7.1:

After a Utility enters into a Contract or other deviation, the Utility shall submit an advice letter requesting approval and updating its list of Contracts and other deviations (see General Rule 8.5.6). The Contract shall contain substantially the following clause: "Unless otherwise expressly ordered by the California Public Utilities Commission, this Contract at all times shall be subject to such modifications as the Commission may direct from time to time in the exercise of its jurisdiction." In addition, except for a Contract that is authorized to be submitted pursuant to Industry Rule 5.1(4) or 5.3(8), the Contract shall contain substantially the following clause: "This Contract does not become effective unless and until approved by the California Public Utilities Commission."

PG&E will provide bill relief to those customers directly affected by the San Bruno explosion through December 2010 using shareholder-funded dollars. In addition, PG&E asks that the Commission find that PG&E, by providing bill payment relief from shareholder funds for San Bruno customers directly affected by the explosion, is not in violation of the directive in Public Utilities Code §453 on granting any preference or advantage to any corporation or person.

Anyone wishing to protest this filing may do so by letter sent via U.S. mail, by facsimile or electronically, any of which must be received no later than **October 19, 2010**, which is 20 days after the date of this filing. Protests should be mailed to:
