MOTION OF GREEN FOR ALL FOR PARTY STATUS

Pursuant to Rule 1.4 of the Commission's Rules of Practice and Procedure and the above-captioned Order Instituting Rulemaking (OIR), Green For All hereby respectfully submits this motion for party status in the above-captioned proceeding.

In support of this motion, Green For All states as follows:

Green For All is a national organization working to build an inclusive green economy strong enough to lift people out of poverty. We work in collaboration with the business, government, labor, and grassroots communities to improve the lives of all Americans through a clean energy economy. We create, advise and implement programs that increase quality jobs and opportunities in the green industry, including the energy efficiency sector. As such, Green For All has a direct and immediate interest in the Commission's review and implementation of energy efficiency programs.

For these reasons, Green For All requests party status in this proceeding in order to file limited comments on the Commissioner Dian Grueneich and ALJ Kimberly Kim's *Application of Pacific Gas and Electric Company for Approval of the 2009-11 Low Income Energy Efficiency and California Alternate Rates for Energy Programs and Budget*, and to participate in any further activities related to the subject matter of the proceeding.

Green For All has not previously been active in this proceeding, and does not seek to expand the scope of the issues already identified in the record and addressed in the proposed decision. Green For All's comments exclusively address a single issue, namely the need to more explicitly acknowledge that behavioral messaging is an efficiency resource that meets all requirements in order to be included within the Commission's energy efficiency program.

All pleadings, correspondence, Commission orders, or other communications in this matter should be directed to Green For All representatives:

Green For All respectfully asks other parties to include Green For All on their service lists in this proceeding effective with the date of this filing, and to serve Green For All with any documents submitted in the future for the record in this case.

In conclusion, Green For All asks to be granted status as an active party in A. 08-05-022.

Respectfully Submitted,

/s/ Vien Truong
