Jaclyn,

I agree. We will check in with the team and propose dates for that week.

We do have a website for the solar program. I'm out of the office today and can't access. David will send.

Thanks,  
Meredith

We're long overdue to meet on WaveConnect. We'd like a status update on the project's progress, how much money you've spent, and on which activities. Please suggest a time the week of October 11.

Also, does PG&E's Solar Program have a website? If so, please send it to me.

Jaclyn
